The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

17. No Construction Against Drafting Party:

Each party to this Agreement expressly recognizes that this Agreement results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this Agreement. Given this fact, no legal or other presumptions against the party drafting this Agreement concerning its construction, interpretation or otherwise accrue to the benefit of any party to the Agreement, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this Agreement.
