

City of Tamarac's Public Art Program

**continued from July 8, 2020
Commission Meeting**

City of Tamarac's Public Art Program

Background

Colony West

Lighted Suspended Ceiling Sculpture

- Call to Artist issued: December 2019
- Original Budget :\$50,000
- New Budget: \$64,500

Artwork Requirement

The artwork should be durable and require minimal ongoing maintenance. The Lighted Suspended Ceiling Sculpture should be designed to complement the clubhouse interior. The artwork will be attached to the ceiling that is situated on the first floor in the entry area of the Clubhouse. A Sculpture designed that is very contemporary and elegant.

Lasvit:

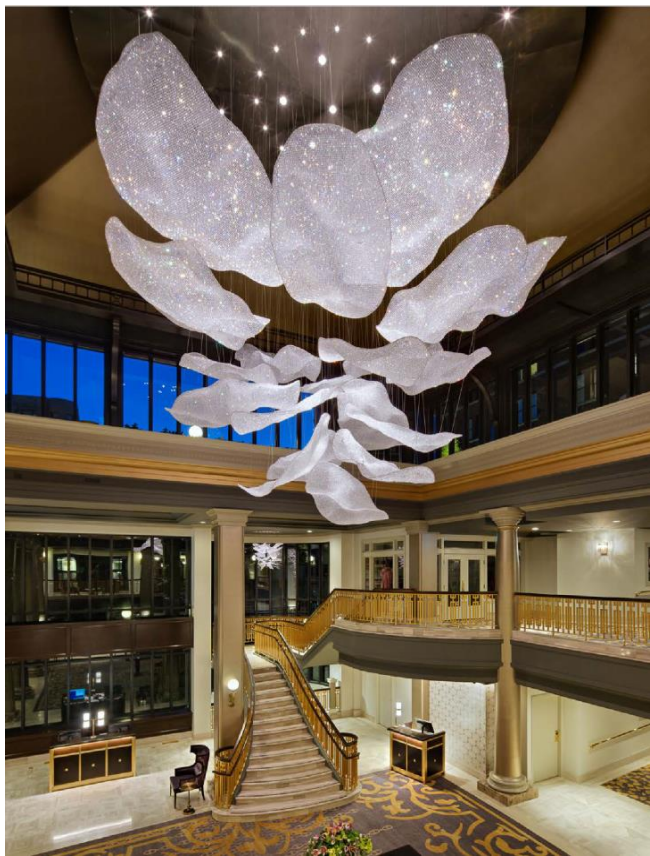

Custom hanging Crystal mesh Twill art piece- this piece does not include lighting- lighting is done by ceiling downlights- Scope of Contractor

Táňa Dvořáková

I take my inspiration primarily from nature and the world of the Orient, and my work shows characteristics of jewelry-like decors.

Front view

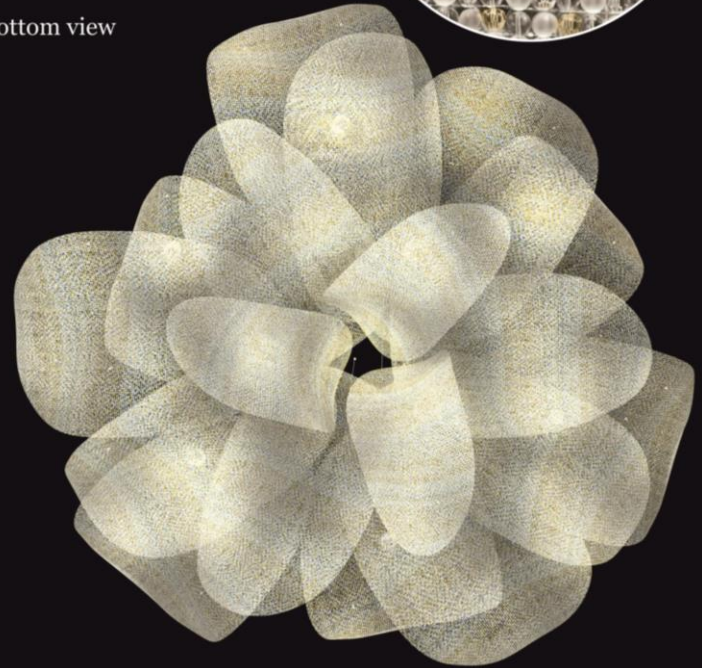

Detail of twill:

- 1/3 lead free clear faceted beads
- 1/3 lead free light amber faceted beads
- 1/3 smooth frosted beads
