WHEREAS, Public Services operates and maintains eighty-six (86) wastewater pump stations throughout the City; and

WHEREAS, these stations operate using electrical services provided by Florida Power & Light; and, while electrical service is relatively reliable, failures occur which require the use of an alternate source, such as mobile generators; and

WHEREAS, the City of Tamarac is vulnerable to power outages, in particular during the hurricane season, which requires the ready availability of emergency power to ensure the wastewater collection system is functioning; and

WHEREAS, funds were appropriated in the Adopted Fiscal Year 2021 Budget for two (2) mobile generators to provide emergency power to lift stations; and

WHEREAS, the timely replacement of Public Services Equipment is necessary in order to ensure the effective and efficient delivery of services by City departments; and

WHEREAS, City of Tamarac Code, §6-148 allows the Purchasing Officer the authority to waive purchasing procedures and purchase equipment which is the subject of contracts with other governmental agencies; and

WHEREAS, it has been proven in the marketplace that formal competitive bids available for cooperative purchase provide the lowest prices as well as the most efficient method for purchasing equipment; and

WHEREAS, the Director of Public Services, Director of Financial Services, and Purchasing and Contracts Manager have determined that it is in the City's economic interests to purchase replacement equipment as identified in "Exhibit 1",

WHEREAS, City of Tamarac Code, §6-148 allows the Purchasing Officer the authority to waive purchasing procedures and purchase equipment which is the subject of contract; and

WHEREAS, the Director of Public Services, Director of Financial Services, and Purchasing and Contracts Manager have determined that it is in the City's economic interests to purchase two (2) mobile generators from Generac utilizing a current agreement available for cooperative purchase through the United States General Services Administration Contract GS-07F-0211M Price List, per Quotation Number 20395607, attached hereto as "Exhibit 2", and the Terms and Conditions for GSA GS-07F-0211M are incorporated herein by reference and on file in the office of the City Clerk; and

WHEREAS, funds in the amount of \$86,658.86 exist in the FY 2021 Adopted Budget and are available in the Utilities Fund; and

WHEREAS, it is in the best interest of the City to authorize the appropriate City officials to select, approve, and award the most cost-effective procurement method utilizing competitive procurement methods and current agreements available for cooperative purchase at the time of purchase including, but not limited to, the agreement awarded by the United States General Services Administration Contract for the purchase of mobile generators at a cost not to exceed \$86,658.86 and

WHEREAS, the City Commission of the City of Tamarac, Florida deems it to be in the best interest of the citizens and residents of the City of Tamarac that the appropriate City Officials be authorized to select, approve and award the cost-effective choice for replacement equipment as identified in "Exhibit 1" be purchased utilizing a competitive procurement method and current agreement available for cooperative purchase, including but not limited to, the Agreement awarded by the United States General Services Administration Contract GS-07F-0211M for the replacement of mobile generators at a cost not to exceed \$86,658.86
