Generac has active continuous improvement programs in place for our products and processes. We reserve the right to supply any material or use any process or equipment we deem to be equivalent to the part or model number originally quoted or ordered as a result of this quotation. All prices quoted are valid for 30 calendar days from the date of this quotation and are subject to change after that time frame. As the purchaser of these products on a direct basis from Generac, you are responsible for the off-loading, troubleshooting, start-up and service, if needed, for these units. Neither Generac nor their domestic / commercial / international dealers are responsible to perform these functions. All equipment is shipped via common carrier, flatbed semi-trailer or standard ocean container. Any deviation from this practice must be discussed and approved prior to PO receipt and acceptance. **Any subsequent order that is intended to ship to an international location will need a customer provided commercial invoice and shippers letter of instruction to accompany shipment.**

This quotation is governed by and subject to Generac's Quotation Terms and Conditions located at www.generac.com/about-us/customer-support which are incorporated by reference. Generac's Quotation Terms and Conditions are subject to change at any time and Buyer is advised to review the same before acceptance of future orders. Unless pursuant to a written agreement mutually executed by both parties, the terms of this Quotation shall be binding upon the parties, and any other terms, communications or documents concerning this order are to be disregarded and hereby expressly rejected.

Generac will use our standard commercial practice serial number / data tag. It shall be deemed acceptable for meeting all unique item identifier requirements stated in the Contract.
